Praised for its clear and logical design, Gateway 2nd Edition improves grammar, vocabulary and four skills in a balanced way so that students can instantly use the language in real-world communication. It offers a comprehensive and easy-to-implement approach to training life skills, allowing teenagers to thrive in the 21st century. In addition, a thorough exam preparation programme improves students' chances of scoring better in school leaving or international exams. Practicing teacher and bestselling author David Spencer, who works with teens every day, relies on first-hand experience to provide practical solutions to motivate students and teach effectiveness. Life videos and assignments covering topics such as personal and physical wellbeing, citizenship or social skills will help prepare teens for life outside the classroom. The innovative Mirrored Classroom videos, which students can watch before class, also show the author's grammatical lectures, allowing teachers to find more time in lessons so they can focus on real-world communication and add variety to their teaching. Exam-style activities are accompanied by exam success tips with a number of practical options and provide an in-depth understanding of your requirements. A to Exams sections allow students to review the exam techniques they have learned and practice their typical exam assignments so they are confident in taking the exam exam Student's Book Pack provides an access code to the Student's Resource Centre that includes class audio, workbook audio, life skills and mirrored classroom videos, Culture worksheets, and access to the downloadable Macmillan Reader. The Student's Book Premium Package includes a printed Student's Book with a strong exam focus and exams task for getting to know the entire Student's Book. Access code for the online workbook and the Student's Resource Centre, which includes class audio, workbook audio, life skills and mirrored classroom videos and a downloadable Macmillan Reader. Digital Student's Book Pack provides access code to the Digital Student Book and Student Resource Center, which includes class audio, workbook sound, life skills and mirrored classroom videos, Culture worksheets, and access to the downloadable Macmillan Reader. The workbook reflects the student book in your organization and provides plenty of extra grammatical and vocabulary practices, as well as the ability to read, listen, talk, and write. It also offers a higher level of material in the form of Grammar Challenge and vocabulary extension exercises, especially useful for mixed ability classes. The online workbook provides an interactive version of the activities in the Gateway 2nd Edition workbook, audio and mirrored classroom videos. The online workbook marks the work of the students and selects them for the Gradebook. Teachers can manage multiple classes, set up tasks, and track the process. Gateway 2nd edition guides teenagers to the success of exams and prepares them for further studies. This all-digital solution gives you access to the Digital Student Book and Student Resource Center, which features life skills and mirrored classroom videos, Cultural Worksheets, and Macmillan Reader. The online workbook contains interactive activities and audio. The teacher's book includes a flexible teacher eBook that screens clock preparation, access to the teacher's resource center, presentation kit, test generator and digital student components. The Teacher's Book contains teaching notes and teacher development sections with ideas for developing learning strategies and preparing exams.
